

Tenafly School-Age Child Care Newsletter

~ Parents, please have back-up plans and individuals in place who can pick-up your child(ren) should the afternoon SACC program need to close early or be cancelled due to inclement weather.

Also remember to update your contact information on the Honeywell Alert and Notification System which allows you to receive messages regarding delayed openings, school closures and early dismissals in general, AND due to inclement weather. You can update your information on the Tenafly website's "Parent" page.

~ Please update the SACC program with important information, such as any changes in work, home or especially cell phone numbers, and/or any emergency contact information. Please provide this information not only to the SACC teacher/staff at your site, but to the SACC office as well. It is also important that your child is also made aware of these changes.

Also, it is very important that parents leave a message and/or "cc" me on your e-mail to the classroom teacher at jlehman@tenafly.k12.nj.us if your child(ren) will not be attending the afternoon SACC program on their regularly scheduled day; or on a day they are not scheduled to attend, and/or, any changes to your child(ren's) SACC schedule. Please keep this in mind also when picking up your child(ren) from a club.

~ Students who need to attend the SACC program on an early dismissal day must inform the SACC office by the date requested on the early dismissal registration form by sending in the form or by emailing the SACC office.

Please refer to the SACC webpage (school-age-child-care.tenafly.k12.nj.us) for additional information on early dismissal day procedures.

~ Some afternoon programs may still go out for short periods of time during the winter months. Please make sure that your children are dressed appropriately for the cold weather.
